Application Drawing(s) No. (or sketch) \_\_\_\_\_

Drawings and Sketches must be prepared as per the TMCI Design and Construction Guidelines for Pipeline Proximity Installation Permits.

This form constitutes an **APPLICATION ONLY**. The Works applied for shall not commence until an approved Pipeline Proximity (Crossing) Installation Permit has been issued and must be constructed in accordance with the conditions set forth in the approved Permit. Please allow a **minimum of 10 working days** for processing this application. Please also allow a **minimum of 3 working days notice** to arrange for a TMCI Inspector once the application has been approved.

Name of applicant or applicant's representative (PRINT)	Date (Yr/Mth/Day)	Signature of applicant or applicant's representative
