Construction activity related to the Trans Mountain Expansion Project is underway in your region.

Health and safety for our workers, their families and communities is a top priority while maintaining safe construction activities during COVID-19. Trans Mountain and its Project contractors are adopting government and company health and safety measures to protect its workforce and ensure work can safely continue.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Go to transmountain.com/socio-economic-reports to view the complete Socio-Economic Monitoring Report for this region.

Total Number of Vehicle Incidents 0

Public Inquiries** and Responses***

Total Number of Inquiries/Topics for this Quarter

1

Sensory Disturbances

Truck traffic causing noise near the Sumas Terminal

Trans Mountain will follow up on noise complaints to confirm their relation to Project activity. Trans Mountain is working to ensure compliance with noise-related bylaws and requirements. Contractors have a Traffic Management Plan addressing public protection measures, access roads/routes to the construction site and Traffic Control Plans for each work zone.
