Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Go to transmountain.com/socio-economic-reports to view the complete Socio-Economic Monitoring Report for this region.

Health and safety for our workers, their families and communities is a top priority while maintaining safe construction activities during COVID-19. Trans Mountain and its Project contractors are adopting government and company health and safety measures to protect its workforce and ensure work can safely continue.

Trans Mountain Region Highlights

Workers in Your Region

Edmonton Region

Reporting Period: January–March 2020

Trans Mountain Expansion Project

Construction activity related to the Trans Mountain Expansion Project is underway in your region.
**Worker Health and Medical Services**

- Number of Times Sent to Local Health-Care Facility: 0
- Use of Ambulance or Other Public Emergency Transport: 0

**Vehicles and Incidents**

- Vehicles Parked in Staging Area (Daily Average): 377
- Workers Transported from Staging Area to Job Site (Daily Average): 511
- Total Number of Vehicle Incidents: 0

**Public Inquiries* and Responses** **

- Total Number of Inquiries for this Quarter: 15
- Sensory Disturbances: Noise, lights from Project vehicles
- Trans Mountain will continue to follow up on any traffic-related concerns. Contractors have a Traffic Management Plan that addresses public protection measures, access roads/routes to the construction site and Traffic Control Plans for each work zone which consider potential impacts (noise, dust, safety hazards, light) with mitigation. Trans Mountain followed up with the contractor to ensure traffic-related requirements are being met.

- Vibration from heavy equipment
- Trans Mountain will follow up on noise/vibration complaints to confirm their relation to Project activity. Trans Mountain is working to ensure compliance with noise-related bylaws and requirements. Trans Mountain will work with stakeholders to resolve and address such complaints where practical.

*Data in this report is reflective of activities specific to construction of the Trans Mountain Expansion Project. Data does not reflect Trans Mountain’s ongoing operations and maintenance activities.
