### Monitoring Socio-Economic Impacts of Construction

**Lower Mainland Region Highlights**

**Reporting Period: January–March 2020**

Construction activity related to the Trans Mountain Expansion Project is underway in your region.

Health and safety for our workers, their families and communities is a top priority while maintaining safe construction activities during COVID-19. Trans Mountain and its Project contractors are adopting government and company health and safety measures to protect its workforce and ensure work can safely continue.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Go to [transmountain.com/socio-economic-reports](http://transmountain.com/socio-economic-reports) to view the complete Socio-Economic Monitoring Report for this region.

**Total Living Out Allowance Paid to Workers**

- **26,550 At Home**
- **5,140 Local Accommodation**
- **0 Camp Community**

$548,258
Worker Health and Medical Services

- **Number of Times Sent to Local Health-Care Facility**: 5
- **Use of Ambulance or Other Public Emergency Transport**: 0

Vehicles and Incidents**

- **Vehicles Parked in Staging Area** (Daily Average): 229
- **Workers Transported from Staging Area to Job Site** (Daily Average): 245
- **Total Number of Vehicle Incidents**: 0

Public Inquiries* and Responses**

- **Total Number of Inquiries for this Quarter**: 11
- **Worker Conduct**: Trans Mountain and its construction contractors are working diligently together to adhere to all advice and direction from government and health officials. Measures being undertaken at construction sites include: temperature screening; following physical distancing guidelines; staggering work shifts and breaks. We continue to revisit and update our plans and monitor implementation on a daily basis. For more information: transmountain.com/covid19
- **Project-Related Traffic**: Trans Mountain will continue to follow up on any traffic-related concerns. Contractors have a Traffic Management Plan that addresses public protection measures, access roads/routes to the construction site and Traffic Control Plans for each work zone. Trans Mountain follows up with the contractor to ensure traffic-related requirements are being followed.
- **Lights from Westridge Marine Terminal (WMT)**: Trans Mountain will follow up on light, noise or odour complaints received to confirm their relation to WMT activity. Trans Mountain is working to ensure compliance with the Light Emission Management Plan for WMT. Trans Mountain will work with stakeholders to resolve and address such complaints where practical.
