

This report reflects the August 30, 2018 Federal Court of Appeal Decision cancelling the Order in Council, which had approved a Certificate of Public Convenience and Necessity related to the Trans Mountain Expansion Project. Projections\* include workers required to suspend construction-related activities on the Project in a safe and orderly manner.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This construction impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.
