

Construction activity related to the Trans Mountain Expansion Project is underway in your region.

Health and safety for our workers, their families and communities is a top priority while maintaining safe construction activities during COVID-19. Trans Mountain and its Project contractors are adopting government and company health and safety measures to protect its workforce and ensure work can safely continue.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Go to transmountain.com/socio-economic-reports to view the complete Socio-Economic Monitoring Report for this region.

Public Inquiries* and Responses**

Trans Mountain will follow up on any complaints related to operations and construction.

Total Number
of Inquiries/Topics
for this Quarter

Traffic

Individual raised concerns about Laidlaw Road traffic, dirt and rocks on the road surface.

Trans Mountain will continue to follow up on any traffic-related concerns. Contractors have a Traffic Management Plan that addresses public protection measures, access roads/routes to the construction site and Traffic Control Plans for each work zone. Trans Mountain follows up with the contractor to ensure traffic-related requirements are being followed.

Sensory
Disturbances

Security lighting at Laidlaw Stockpile impacting nearby residence.

The light was redirected to resident's satisfaction.
