

**Construction related to the Trans Mountain Expansion Project is underway in your region.**

Health and safety for our workers, their families and communities is a top priority while maintaining safe construction activities during COVID-19. Trans Mountain and its Project contractors are adopting government and company health and safety measures to protect its workforce and ensure work can safely continue.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Worker  
Conduct

**Contract worker evicted from local  
hotel due to alcohol-related conduct.**

The Worker Code of Conduct specifies that all workers are ambassadors of the Project, and people living in the vicinity must be treated with respect and consideration during the construction time frame. Trans Mountain Security has reached out to the hotel manager for further information and will be investigating appropriate disciplinary actions.
