

Construction activity related to the Trans Mountain Expansion Project is underway in your region. Trans Mountain is monitoring the impact of construction on communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This construction impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

Go to [transmountain.com/socio-economic-reports](http://transmountain.com/socio-economic-reports) to view the complete Socio-Economic Monitoring Report for this region.
