

**TRANSMOUNTAIN**

## **Trans Mountain Pipeline - Notice of Open Season - Firm Contracting Open Season**

**Calgary, AB – March 25, 2026** – Trans Mountain will hold a binding Open Season for the Trans Mountain Pipeline System for firm service on existing pipeline capacity from Edmonton, Alberta to delivery locations in British Columbia.

The Open Season period will commence on April 7, 2026, at 9:00 a.m. Mountain Time (MT) and will close on June 2, 2026, at 12:00 p.m. MT.

Interested parties must execute a Confidentiality Agreement to receive the Open Season documents and participate in the Open Season. Access will be granted exclusively to bona fide commercial parties.
