Monitoring Socio-Economic Impacts of Construction

# North Thompson Highlights

Reporting Period: July–September 2023

Construction related to the Trans Mountain Expansion Project is underway in your region.

Trans Mountain and its contractors make it a top priority to protect our workers and communities by following government and company health and safety measures as construction continues.

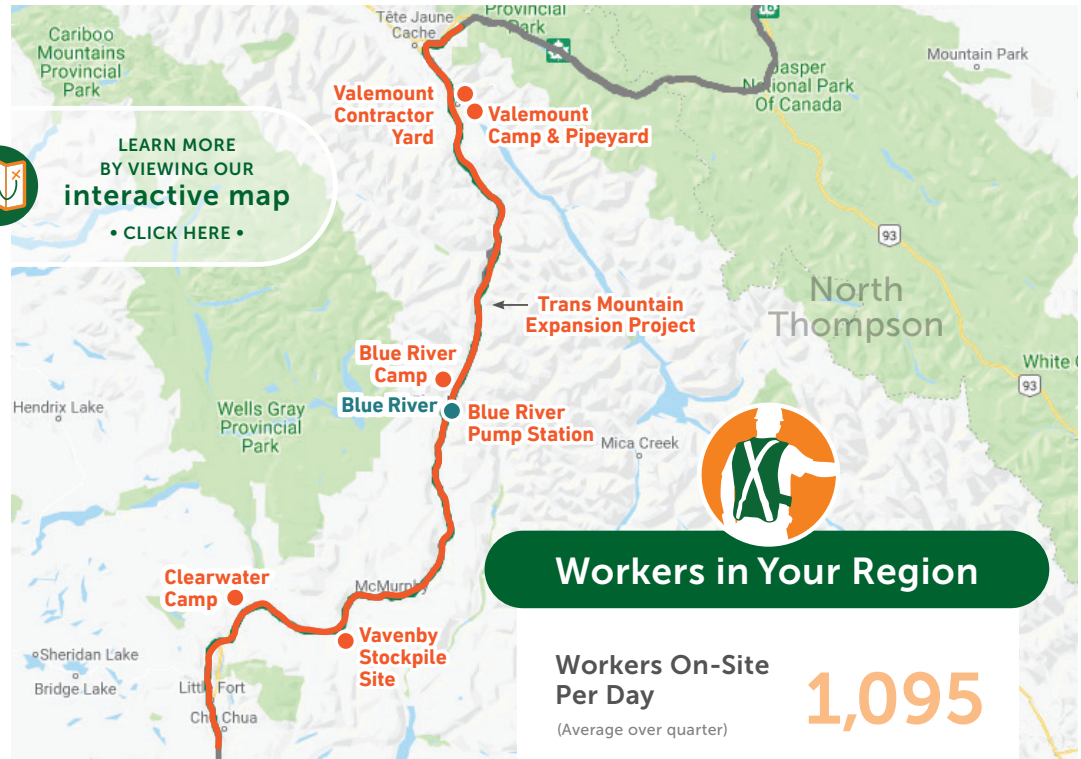

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.

### Total number for this Quarter

\* Socio-economic topics related to community impacts only. Data in this report is reflective of activities specific to active construction of the Trans Mountain Expansion Project. Data does not reflect Trans Mountain's ongoing operations and maintenance or inquiries related to future construction activities.

† Inquiries from same individual/ household on same topic are considered same inquiry. May be multiple inquiries on similar theme.

### Worker Conduct

#### Recreational conduct of a worker in Blue River.

The Worker Code of Conduct specifies all workers are ambassadors of the Project, and that people living near the Project must be treated with respect and consideration during construction. Complaints regarding off-duty worker conduct in a community are investigated to determine appropriate disciplinary action.

### Sensory Disturbances

#### Noise from a wash station in Blue River yard; early morning noise in Clearwater.

Trans Mountain ensures compliance with bylaws and requirements, and works with stakeholders to resolve and address such complaints where practical. Regarding noise from Blue River yard, Trans Mountain will demobilize the wash station. Regarding noise in Clearwater, Trans Mountain communicated that crews had to modify their schedules to accommodate a 5 am start time due to increased Fire Danger Ratings, with work in the area anticipated to be complete within two weeks.

HEALTH AND SAFETY IS A SHARED RESPONSIBILITY.
