Monitoring Socio-Economic Impacts of Construction

# North Thompson Highlights

Reporting Period: October–December 2023

Construction related to the Trans Mountain Expansion Project is complete in your region.

Trans Mountain and its contractors make it a top priority to protect our workers and communities by following government and company health and safety measures as construction continues.

This is the final Socio-Economic Monitoring Report for the Edmonton region as mechanical completion and final cleanup have been completed in this area. All reports continue to be available on [transmountain.com/socio-economic-reports](https://transmountain.com/socio-economic-reports).

A final Socio-Economic Monitoring Report for the entire Expansion Project will be issued in late 2024.
