Monitoring Socio-Economic Impacts of Construction

BC Interior Highlights

Reporting Period: July–September 2023

Construction related to the Trans Mountain Expansion Project is underway in your region.

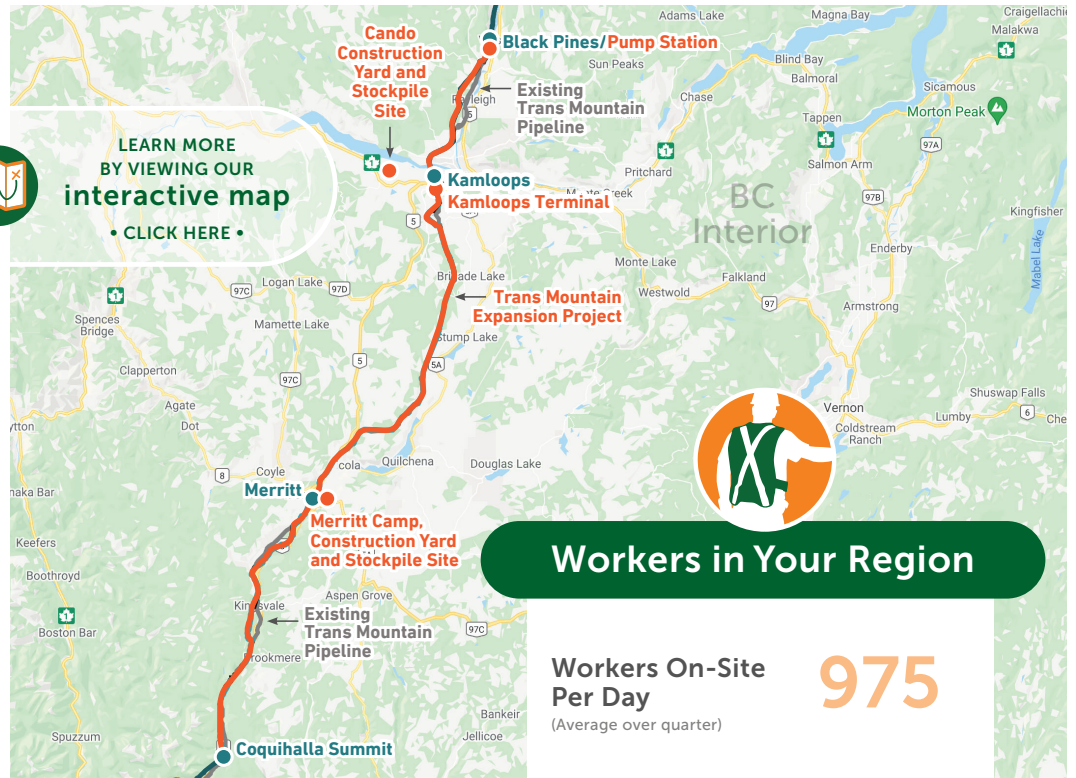

Trans Mountain and its contractors make it a top priority to protect our workers and communities by following government and company health and safety measures as construction continues.

Trans Mountain is monitoring the impact of construction on pipeline communities through a series of indicators identified in the Socio-Economic Effects Monitoring Plan. This Project impact information is gathered for each three-month period in a regional Socio-Economic Monitoring Report. Highlights from the quarterly regional report are provided here.
